

Miners' Opener Today

The University of Texas at El Paso baseball team, its opener delayed Friday by wet grounds at Dudley Field, tries once again to lift the lid on the 1973 baseball season with a doubleheader against Hardin-Simmons.

Miner coach Andy Cohen will send sophomore Ray Greggerson to the mound for the opener against the Cowboys, but the long-time U.T. El Paso mentor was undecided on the rest of his rotation.

"I'd like to look at them (H-SU) before I make any decision on who to pitch the other game," Cohen said this week.

Otherwise, the Miners will start Larry McKay in left field, Malcolm McLean in center, and either Joel Kuenstler or Eloy Alvarado in right. Around the infield, it will be Barry Alburdis at first, Terry Baker at second, Herb Von Hagen at shortstop, and Glen Villareal at third. Tim Peden will be the catcher.

Following the Hardin-Simmons series, U.T. El Paso will host Texas Tech next Friday and Saturday.
