

Silver Foxes, T-Birds Grab Baseball Wins

Jefferson's Silver Foxes kept their early season mark intact Wednesday handing Irvin a 7-0 whitewash on the Rockets' field.

Coronado's Thunderbirds, behind Hank Cohen's pitching, evened their season tally at 1-1 with a 4-3 triumph over District 2-AAAA defending champion Ysleta at Coronado in the other Wednesday high school baseball contest.

The Silver Foxes, with winning hurler Sonny Alonzo and relieve-man Henry Martin working the prep duel, won their second game in as many starts while Irvin fell to 1-1.

The Tribe, scoring one run in the opening frame, one in the fifth and one in the sixth, led 3-1 before the bottom of the sixth. In that frame the T-Birds tallied two runs to tie the game and drove the winning-run in the bottom of the seventh. The Indians now stand at 0-2.

Jefferson took advantage of Rocket errors and jumped out in front 4-0 after the second inning. The Foxes then scored one more in the fourth and

capped the win with two more tallies in the fifth frame. The Foxes had one error in the contest compared to Irvin's six.

The Chaparrals, plagued by poor attendance and a fourth-place position in a five-team division race, originally were to have moved from Dallas to New Jersey.
