

Sun Devils Polish Off Miners Twice

S

By BILL COUSINS
Times Sports Writer

Arizona State and the University of Texas at El Paso are both members of the Western Athletic Conference but as far as the two schools' baseball teams are concerned, they aren't in the same league.

Arizona State's No. two ranked Sun Devils proved that point again Saturday, sweeping a WAC-Southern Division doubleheader from the Miners by 17-2 and 13-3 scores at Dudley Field.

"They are just too good for us," was Miner coach Andy Cohen's post-game lament. "I hate to admit it, but they just are."

Except for Herb Von Hagen in Satur-

day's nightcap, ASU batters had a field day against Miner pitching. The Devils hit 24 extra base hits in the three game series.

Von Hagen, normally the Miner shortstop, was the most effective U.T. El Paso hurler. Coming in in the fourth, Von Hagen allowed the Sun Devils only three hits in pitching six innings of shutout ball.

"Outside of Von Hagen, I think Mark Miller did a pretty good at shortstop," Cohen added. "But when you lose as bad as we did, it's hard to pick anybody out."

Arizona State now moves to 12-0 in the league race, putting its WAC winning streak to 35 straight games. Coach Jim Brock's team is now 48-5 overall.

The Miners, now losers of nine straight, fell to 2-10 and 17-20. U.T. El Paso takes a break from league play with an exhibition game against a team of ex-lettermen Sunday afternoon at Dudley, and against New Mexico State Tuesday night in Las Cruces.

Saturday, the Miners did all their scoring early. In the first inning of the opener, Malcolm McLean walked, Skip Baker doubled, and Miller singled to score McLean. Baker scored moments later on Barry Alburdis' ground ball.

Jim Otten allowed the Miners but six hits for the win, his 10th against a single loss. Ray Greggerson (3-3) was the loser. Doug Stocum, now 12-0, won the second game over Tony Eaton (0-3).

In the nine inning second game, ASU scored all 13 of its runs in the first three innings before Von Hagen could put out the fire.

U.T. El Paso scored all three of its runs in the third after an ASU double play attempt failed. Pete Shaffer singled to lead off and stayed alive when Devil second baseman was off the base for a force out on Keith Rushing's ground ball. Miller walked to load the bases.

Alburdis followed with a single that got away from the Devil leftfielder, scoring Shaffer and Rushing. Miller later scored on Bob Downing's ground out.

Russell Lead 13-0 Romp

by 12 percentage points over the Brewers.

Browne, a late addition to the Kings roster at the end of spring training, solidified his position even more with his second win in two starts. He gave the Cubs only five singles, and only once did manager Norm Sherry bother to have any action in the bullpen.

The Houston native relied on his fastball the most, using a curve only 14 times all night.

"It (the fastball) moves a lot when I'm throwing well, and I felt good tonight," Browne noted. "My curve was doing better than usual, especially in the late innings.

"And my wife flew in and we got 13 runs."

Kurt Russell was responsible for a large portion of those runs. The Disney actor had his best night as a pro with a two-run home run, his second ever in organized ball, and three doubles. Russell knocked in four runs.

It was Bing Russell, the Sun King president who seemed most excited about his son's performance. After the home run and each succeeding double, the elder Russell would head for a telephone to inform the family back in California.
