

TD Club Hosts Miner Cagers

The 1973-74 edition of the U.T. El Paso Miner Basketball Team will be introduced to the members of the Downtown Touchdown Club at their weekly luncheon meeting at noon Monday at the Sheraton Motor Inn. Don Haskins will be in Denver for the WAC Basketball meetings, but able assistant coach Gene Iba will be on hand for the affair.

Baseball Coach Andy Cohen will have a few words of wisdom for the Touchdowners and Tommy Hudspeth will discuss Saturday's game with the Arizona State Sun Devils. All members are urged to attend.
