Doubleheader opens baseball season

With 11 returning lettermen from last year's squad, Andy Cohen will be trying to produce a successful UT El Paso baseball team this season. Coach Cohen is looking to improve on last year's record.

The Miners will start the season tomorrow afternoon at 1 p.m. with a double header against Hardin Simmons University at Dudley Field. On Saturday the two teams clash again in another doubleheader at 1 p.m.

THE 11 returnees who will head this year's team are Skip Baker, Joe Pennies, Lali Maldonado, Ernie Hernandez, Tim Peden, Barry Albutis, Malcolm McLean, Bobby Knox, Ray Greggers on, Larry Alavarado and Joe Kuentsler.

Cohen will also have some top junior college transfers in Herbie Von Hagen from Cochise and Dave Wade from Ranger. Von Hagen is an infielder and Wade is a pitcher.

The Miners will also be counting on Mark Miller, a transfer from Regis College and Glen Villareal of Eastwood High School in El Paso. Both are infielders and should help UT El Paso's defense.

THERE ARE seven pitchers competing for a spot on the regular rotation. Along with Wade, Cohen has Jeff Hogan, Mike Miller, Tony Eaton, Larry Richardson, Bob Downing and Mike Krute.

The 92 year- old State National Bank congratulates The University of Texas at El Paso on its 60th birthday.

Old-timers might remember the Texas College of Mines; not-so-old timers might remember Texas Western College; and the new-timers will know the University of Texas at El Paso.

We have it all in our display of historical photographs in the lobby of the State National. You'll enjoy seeing six decades of growth of our University, and a look into its bright future.
