

UT El Paso baseballers prepare for '74 season

With 15 lettermen returning this year, UT El Paso baseball coach Andy Cohen is preparing his team for their Feb. 22 encounter with Ranger Junior College. The Miners began work outs for the 1974 season last week.

"With the experience we gained from last year," says Cohen, "I feel we should be able to improve on our 1973 record (18-27)."

Heading the returnees this year will be pitcher Bob Knox of Chicago. Knox posted a 3-2 record and 2.62 earned run average for the '73 campaign. A perfect game against New Mexico Highlands topped the right hander's season.

The Miners' top hitter of a year ago, Mark Miller, also returns for another season of competition. Miller, a second baseman, led the squad with a .315 average.

Cohen also returns lettermen Glenn Villareal, Herb Von Hagen, Joe Pennies, Bob Downing, Mike Hilton, Mike Miller, Tony Eaton,

Larry Richarson and Mike Hogan.

"We should get some added help in the outfield from new people Roy Stringer and Terry Dillingham," Cohen continued. "Terry Hudson will add depth to our infield which is anchored by Villareal at third and Miller at second."

The Miners' four-game set with Ranger JC will not count in the regular season record. The official year will start with Hardin-Simmons University on Feb. 28 at Dudley Field. Western Athletic Conference play begins April 5 against Arizona State University at Dudley Field.

Beginning with the Ranger series the Miners will play 29 straight home games. Included in this 29-game home stand is a March 9 contest with Oklahoma University and two exhibition games with Baruch College of New York on March 27 and 28.
