El Paso's Greg Shanahan avenged Thursday night's loss and gave up only five hits as he shutout the Shreveport Captains 7-0 in Texas League baseball Friday night at Dudley Field.

The Captains had beaten the Sun Dodgers 12-2 Thursday and Coach Andy Cohen, who was substituting for Manager Stan Wasiak, who is attending the wedding of his daughter, indicated before the game that he really wanted the victory.

Shanahan, who is now 8-8, struck out 10 Captains and walked five batters in taking the five hit victory.

The Sun Dodgers open a five game homestand at 7:45 p.m. Saturday with the San Antonio Brewers.

El Paso remained five games in front of the Amarillo Giants as they finished the series with the Captains. El Paso won four of the six games with Shreveport.

With two outs in the first inning, Bob Cummings and Steve Patchin drew bases on balls from starting pitcher Sid Monge, who lost his fifth straight game, to put men on first and second.

The next batter Wayne Burney singled to short leftfield driving in Cummings and was followed by Paul Flesner who hit to right field, sending in Patchin.

With Burney on third and Patchin on first, Coach Cohen gave the steal signal and catcher Larry Hanson of Shreveport threw to second base trying to catch Flesner and Burney went for home scoring on the double steal.

The Sun Bums tallied two more runs in the third when Burney walked and Flesner doubled down the third baseline driving in Burney. Ron Downing singled between short and second sending Flesner home for El Paso's fifth run.

The Sun Dodgers capped the scoring in the sixth inning with two runs off of three hits.

Jerry Royster singled to right with one out and Cummings doubled off the left field wall driving in Royster. The next batter, Patchin, was intentionally walked and Burney hit a "Texas Leaguer" just over short scoring Burney. Patchin tried for third and the Shreveport left fielder John Doherty threw Patchin out.

Monge, who was charged with the loss, gave up nine hits and seven runs before being relieved in the seventh by Terry Tuley. Monge is 5-10.

Flesner led the Sun Dodgers' batting by going three for four, all singles, while Burney was two for three and Cummings was two for four. Cummings was the only player in the game to have a multi-base hit with a double.
