

West Stars In Miners' Arizona Loss

Special to The Herald-Post

TUCSON, March 12. — Coach Andy Cohen's baseballers from University of Texas at El Paso are looking towards a good series with Arizona University today when they face them in a doubleheader.

The Miners lost an 8-0 game yesterday through the left on base route and the pitching of Arizona's Pat O'Brien who struck out 11, gave up six hits and walked four. The Miners left 11 stranded.

"THE WHOLE STORY" was O'Brien," coach Cohen said today. "They are not that much better than we are. Our boys all feel good and want to win today."

Lynn Hunt will open the first game and, depending on whether he needs relief or not, Bill Onick or Jesse Lujan will start the second game, Cohen noted.

"CHARLEY WEST made the play of the game," Cohen said. "He threw out a man at third from deep centerfield and brought everybody to their feet. It was a great throw."

West added a triple and after five games he has a homerun, triple and double but is looking for his first single.

Rightfielder Johnny Miller hit a single and a double to lead Miner batters. Bill Diesselhorst was credited with the loss while reliefer Terry Witt struck out five during a four inning stint.
