

Record Now 11-10 Seek Game For Idled Miner Club

Over the .500 mark, the U.T. El Paso Miners baseball team isn't scheduled to play until it faces University of South Dakota in a doubleheader at Albuquerque on April 10.

This long layoff is not Andy Cohen's idea of keeping a team ship shape so he's trying to arrange a game this weekend with a Armed Services club.

The Miners brought their record to 11-10 with two twinbill sweeps over New Mexico State last Friday and Saturday. In the Saturday doublebill, Bill Diesselhorst pitched an 8-0 victory. The Miners won the second game 8-3. Howard McDonald, tall basketball player turned baseball pitcher, scored the win but had to have help.
