

Texas Western Nine Wins Doubleheader

Texas Western opened its baseball season at Dudley Field Friday with a sweep of a doubleheader over University of Albuquerque.

Four-hit pitching by Bill Sanders gave the Miners a 6-0 shut-out victory in the opener and TWC used some clutch hitting in extra innings to take the second game, 5-4.

Another doubleheader between the same teams is scheduled for 1 p.m. Saturday at Dudley Field.

Sanders, a freshman from El Paso High School, blanked Albuquerque through seven innings. The southpaw had four strikeouts and walked four in his first game as a college hurler.

Tenety started for Albuquerque and went all the way.

Charlie West paced the Miner batting attack in the first game getting three hits in four trips to the plate. He also stole two bases. Chuck Stout was two for three at the plate.

Texas Western jumped on the Albuquerque pitching early, scoring three runs in the first inning and adding three more in the sixth.

In the second game, Ken McAnnally started on the mound for TWC but was lifted in the fifth after giving up three runs. Tony Harper came on in the fifth, but gave way to Ralph Ornelas when he could get no one out.

The Miners trailed 3-2, going into the bottom of the seventh but came up with one run to send the game into extra innings.

Ornelas was lifted for a pinch hitter in the TWC seventh. Robert Heinzel pitched the last two innings for the Miners to get credit for the win.

Singles by Griego, Duenas and Romero in the top of the ninth gave Albuquerque the go ahead run.

In the Miner ninth, Bufe Morrison opened with a single, Ken Heinzel struck out, and West forced Morrison at second giving TWC two outs with a runner on first. West stole second, Larry McFarlin walked and Danny Blanco singled to load the bases.

Jay Christopher then hit a ball by the first baseman to drive in West and McFarlin with the winning runs.

Coach Andy Cohen had praise for the play of Blanco at third base and Robert Aguirre at short-stop and the base running of Aguirre and West.

Cohen said, "All in all the whole team looked good. We made some small mistakes in the second game, but in general we are an inexperienced team."
