

Miner Nine To Play NM On Road

Texas Western's baseball Miners make their first road trip of the season this week, when they travel to Albuquerque to face the University of New Mexico. The Miners will play the Lobos a three game series with a twin-bill scheduled for Thursday and a single encounter set for Friday. Both games are to get under way at 1 p.m.

The Orangemen will arrive in the Duke City 10-7 for the season as compared to the Lobos 9-8 record. Both the Lobos and the Miners have faced a common foe in New Mexico Highlands. The Miners took three of four from Highlands while the Lobos lost three of the four that they played against the Cowboys.

Coach Andy Cohen will start two freshmen pitchers in the New Mexico series. Bill Sanders, Tom Jennings and either Ralph Ornelas or Gary Crowell will round out the starting rotation for the three-game series.

Jennings, who will work the nightcap of the doubleheader on Thursday, stands 2-2 for the 1966 campaign and has an earned run average of 2.48.

"I'm very pleased with the way our young pitching staff has come around," said Coach Cohen before boarding the team's chartered bus for Albuquerque. McFarlin is the leading batter in the extra base hit department with six doubles and four triples. Three of his triples came in the Miners last outing against the University of Colorado.
