Advertising Agency Executives To Visit El Paso

Fifty of the nation's advertising agency executives, accompanied by their wives, will visit El Paso next Tuesday on a special one-day air tour of the Southwest Sun Country. The visitors will depart from Phoenix, Ariz., on a chartered airliner at 7:30 a.m. Tuesday and fly to Tucson, Ariz., for a ranch-style breakfast and a tour of the city. At 11:30 a.m. the group will fly to El Paso. They will be met at El Paso International Airport by a committee of El Pasoans, who have planned a fast-paced tour of El Paso and Juarez for the Madison Avenue executives.

A police escort will take the visitors through Ft. Bliss and over Scenic Drive, then down Rim Road to Texas Western College and a look at the Sun Bowl. The motorcade will then proceed to the El Paso Club for a special luncheon.

After lunch, the admn will be given a police escort to the Stanton Street Bridge where they will be met by representatives of the Juarez City government, followed by a trip down the 16th of September Avenue to the ProNaf area of Juarez. A brief stop at the Juarez Cultural Museum and Arts and Crafts Shop will be followed by a return to the United States over the Cordova Island Bridge, then a journey back to

the airport. The group is scheduled to depart for Albuquerque, N.M., at 3:30 p.m. In Albuquerque, they will be given dinner and a tour of the Duke City before returning to Phoenix.

Cow Produces Good Record

Special to THE EL PASO TIMES
Brattleboro, Vt. — R. Hales

Chief Arlene Ace 5074431, a four-year-old Registered Holstein cow owned by Price's El Paso Dairy, El Paso, has produced a noteworthy record of 14,330 pounds of milk and 585 pounds of butterfat in 355 days.

Texas A&M University supervised the production, weighing, and testing operations, in cooperation with the official breed improvement programs of the Holstein-Friesian Association of America.

This level of production may be compared to the average U.S. dairy cow's estimated annual output of 7,880 pounds of milk containing 285 pounds of butterfat.
