Three El Paso Players On All-Stars

Wilkinson Heads TL Sun Kings

Three members of the El Paso Sun Kings, headed by center-fielder Don Wilkinson, have been selected to play in the Texas League All-Star game July 7th at Arlington, Texas against the Houston Astros.

Wilkinson won the starting centerfield berth on the squad and third baseman Winston Llenas and catcher Tom Egan were named to the dream team in the balloting by the six league managers. The rest of the All-Stars will be announced Sunday. Buddy Hancken of the Amarillo Sonics will be the manager of the All-Stars by virtue of the fact that his club is in first place in the Texas loop.

The All-Star tilt will be held in spacious Turnpike Stadium, the home of the Dallas-Ft. Worth Stars, and the scene of last year's encounter. Over ten thousand persons were on hand last year as the Astros won their first game of the series, nipping the Texas League All-Stars in eleven innings. The Texas League will be after its fourth victory in five starts against the Astros.

Wilkinson won the starting shot mainly on the basis of his power hitting as he leads the league in homers with 16. He is batting .300 and also is one of the finest defensive fielders in the league.

Sun King Coach Andy Cohen says "Don is one of the finest if not the finest outfield prospect in the California Angels organization." Last year Wilkinson was with San Jose of the California League.

Also a rookie, Egan is from Pico Rivera, California. The big one of the finest all-around play-64 catcher spent most of last years in the league. "Winnie" as he is known by the parent Angels as the major league club prospect hit him as one of its bonus babies. He signed with the Angels for a reported one hun-

Red thousand dollars. Egan is Dominican Republic where he is hitting only .340 but over the last month has been one of the league's hottest hitters, raising his average almost 70 points. A Wright but he was called up by Egan has appeared in all 73 El Paso games this season.

In his second straight year with the Sun Kings, Llenas is Pico Rivera, California. The big one of the finest all-around play-64 catcher spent most of last years in the league. Rosas Heads Card At Monumental

Felipe Rosas, winner of last week's "Golden Sword" trophy in Tijuana, will share the cartel for Sunday's bullfight at Plaza Monumental in Juarez.

The four-bull corrida marks the opening of the Monumental season.

According to Pepe Hurtado, publicity director, the Golden Sword corrida was a benefit in which six matadors competed for a special trophy. Other fighters on the card included Juan Silvestre, Jose Ramon Tirado and Joaquin Fulton.

Rosas' style, Hurtado noted, is based on the school created by the famed Mexican matador, Silverio Perez. In this style, a slow, elongated movement lends particular fluidity to the muleta and cape passes.

Rosas was a leading novillero in 1959, Hurtado said. He graduated to the rank of matador in Mexico City in 1960 and won an ear from his first bull of the afternoon.

This marked the first occasion in 25 years where a matador won an award from his "alternativa" bull at the Mexico City arena. Hurtado pointed out.

Sunday's card will be shared with Mauro Liceaga, who won an ear in his last Monumental appearance on Aug. 15, 1963. Four hefty bulls from the Santa Cecilia herd, each weighing about 1,600 pounds, will be fought.

WAC Officials Delay Expansion Until January

Denver, Colo. (AP) — A decision on expansion of the Western Athletic Conference probably will not come until another meeting of the presidents of conference schools in January 1967. The presidents, meeting in Denver, passed a resolution favoring expansion but took no action.

Presidents of each school are to appoint a representative to study financial relationships of member schools. The study will attempt to work out equitable terms of finances because new

members would be subjected to ver is better located both geographically and strategically, relative to the national sports scene of which we, as a major conference, are an integral part and in which we should aspire to greater identity and prestige."

Clay, London Fight Slated August 6

London. (AP) — The Cassius Clay-Brian London heavyweight title fight will be held Saturday, Aug. 6, in London's indoor Earls Court Stadium, promoter Jack Solomons said Thursday.

The scheduled 15-rounder will start about 2 p.m., El Paso time, and will be telecast to the United States via Early Bird Satellite for home viewing.

It will be the third title defense this year for the undefeated Clay, who stopped Britain's Henry Cooper in the sixth round at London May 21.

If successful — and Clay will be favored by about 15-1 over London — the Louisville boxing master will then defend his crown against Karl Mildenberger, Germany's European champion, at Frankfurt, Germany, Sept. 10 or 17, both Saturdays.

The second fight also will be telecast to the United States. Clay will receive a guarantee of \$250,000 plus a percentage of the television receipts and other ancillary rights.

Earl Court has an 18,500 capacity.
