

Induction set Thursday at Kiwanis luncheon

Sparklers in 10 sports gain Elmira Sports Hall

By AL MALLETT

Bob Bertelsen, who holds the Ohio University record in the 2-mile, 5-mile and 10-mile runs, and Walt Bosley, World War I 2-mile school record holder who later coached and trained the famed Olympic champion Stella Walsh, head of a field of six Elmira area trackmen into charter membership for the Elmira Sports Hall of Fame.

Joining Bertelsen and Bosley in the Track Hall are Dr. Art Smith, Bob Ramsey, Tom Weaver and Mary Buse.

The charter members voted into the Wrestling Hall are John Wigston, a BIG champion of EFA, who went to Cornell and became a three-time NCAA champion in the 125-pound weight, and two former area men: Don Senaki and Bill Brimmer.

The nine charter members of track and wrestling will be inducted into Elmira's Sports Hall Thursday noon at the weekly Kiwanis Club luncheon at the downtown Holiday Inn, along with the 1974 inductees into the various other Halls.

All inductees will be guests of Kiwanis. Others who wish to attend the ceremonies are invited, but they must pay the regular Kiwanis luncheon fee.

Bertelsen's track record was star-studded. The Southside graduate, who walked away with all the major local track honors, really blossomed at Ohio U.

Bob's greatest day came in the 1970 NCAA when he won the six-mile run in a new NCAA record time of 27:2.8.

Bob was twice named All-American in track during his career in 1969 and 1970. He finished sixth in the grueling six-mile run in the World University Games at Turin, Italy, in 1970, and would go seventh in the National AAU Meet in 1970.

Today Bertelsen is assistant track coach at Tennessee and spends the off-season studying for his masters in Kentucky.

Bosley was virtually a one-man track show at Acadia from 1936-38. He competed in the sprints, the mile, mile and a half, cross-country, pole vault and hurdling.

In 1938 Walt finished 10th in the grueling 2-mile marathon at New York City. The field was 100 to start.

Bosley's association with Miss Walsh developed in Cleveland, where Walt was a playground coach and director in 1924. He coached and trained Miss Walsh in 1924 and 1925, watched her win the famed sprints in the Midway Games in 1924 and take a Olympic Gold Medal in 1928.

Bosley also has held coach and physical education positions in Boys Clubs and settlement houses in Cleveland, Detroit, Toledo, Pittsburgh and Elmer. Walt coached Elmer Neighborhood House basketball and other sports for years.

Dr. Smith was one of Elmira's greatest trackmen from 1927-33, winning and setting records in Section 4 800 yard run.

At 6'2" and 160 pounds, he participated in both indoor and outdoor track for four years, competing in the 400 and 800. In 1932 Smith ran a 4:27.40, which was 1.2 seconds off the then world record of 4:04.

He was a standout sprinter at Parker Field in 1922, at the time the best ever for the 200 yard race.

Bosley also ran the 100 yard as a member of Acadia's Section 4 champion 800-yard relay team, which also featured his brother Eric.

Mary went to Winona (Minn.) College and was a four-year track sensation.

Bosley today is a coach and physical teacher at Cedar Hill in Winona and recently was honored as Winona's Teacher of the Year.

Ramsey, who now lives in Rochester, is one of the greatest all-around athletes ever to wear the blue and white of Elmira's track. He started in football, basketball but it was in track where Bob excelled.

Ramsey never led a 400 in Section 4 competition in the mid-Fifties and in May 1957 he ran a then record 30.1 in the 400 at Binghamton. A week later in the New York State Meet at West Point Ramsey finished third but was clocked in an all-time Section 4 time of 29.8.

Tom Weaver probably is one of the all-time Edison High track athletes. He started in track from 1953 through 1957 and in the spring of 1955-saw year that Ramsey and Bosley starred—he took a Section 4 dou-

SUNDAY TELEGRAM, Elmira, N.Y., Dec. 1, 1974

Softball

Don Senaki, one of Elmira's better late Thirties pitchers, and Danny Backer, who played only eight seasons of Elmira softball but played them exceedingly well, are the BIG entrants into the Softball Hall of Fame.

Senaki began his career with the Labeled Brown's Grocery team in the mid-Thirties and later starred for Squidding, Edgemoor's, Citizen Loan, Gerber's, Superior Bank, Del Y. Knapp's Moose and Schriener's Aardvark.

Senaki's finest hour came during his first season in City League play—in an exhibition game. His Brown's Grocery team ended local softball's longest winning streak by defeating Elmira Auto Club—ending the AAC's win streak at 25.

Another Senaki fact really recalled was his back-to-back no-hitters for Edgemoor's in the annual Southern Tier Tournament in 1938.

Backer, a long-time baseball standout, began his softball career with the Lynn-Grace club in 1941.

He was all-city shortstop for four years (1935-38) and called a ball to his athletic career after the 1941 Senior Grille season.

Contributors

The Hall of Fame selection committee came up with four contributors with a total of 50 years of mostly volunteer service to Elmira area sports and Elmira area athletes.

Frank (Rocky) Robinson has given almost 60 years to baseball in the Elmira area—first with his own teams in the late Twenties and Thirties, then in later years as coach and father-confessor to teams in Elmira's Senior Fry program.

Matter of fact, all contributors entrants this year, have given many years to, among other things, Elmira's Senior Fry program.

The late Bernard J. (Bud) Hartnett was one of the original organizers and early presidents of the program. William (Halt) Lloyd was Small Fry basketball commissioner for 25 years, and Glenn Mallette has been involved as a coach for the last 30 years.

All three, through, had diversified careers in long years of contribution service to Elmira sports.

Mallette, for instance, organized and ran the highly-successful Southern Tier Baseball Tournament for a dozen years, bringing area Elmira some of the finest college stars in the East—including Bob Weiss, Rick Arpa, Tim Brown, Fred Crawford, the Smiths, Ernie Warlick, Bob McCully, Larry Weiss and Dave Bing.

He also promoted the K of C Track Club for years, bringing some of the top names in the track world into the local area. Then he joined forces with the Niagara AAC for other local events.

Mallette also has been a long time football and basketball official, has retired from softball officiating and during his active athletic career played football, softball, basketball, baseball, competed in YMCA swimming and ran track.

Lloyd has been involved in YMCA work since playing with the Redbirds in the early Thirties.

Bud YMAA and Small Fry are small parts of the all-around career of Lloyd who has been coaxed by Elmira's service clubs as "Elmira's friend of the boy" and was honored as such at a huge Dunn Field program in the mid-fifties.

Lloyd has been honored for his work with youth and senior citizens by Elmira Optimist, Elmira Kiwanis, Elmira YMAA, Heresheeds Small Fry (which he helped organize), Elmira Neighborhood House, The Elmira Star-Gazette, Elmira WENY and the Elmira Chamber of Commerce.

Bill also has received letters of commendation from President John F. Kennedy and New York State Governor Nelson A. Rockefeller.

Bud Hartnett's career was continual involvement.

He organized and coached various athletic teams in the Twenties and Thirties, helped organize Elmira Small Fry, was involved in the pre basketball and football programs in Elmira, was one of the organizers of the Elmira Sports Hall of Fame of which he now is a member.

Bud also was instrumental in bringing night high school football to Parker Field when he was a member of the Elmira Board of Education. He was a long time member of the Elmira Baseball Club and for years ran the highly-successful Youth Benefit Night promotion which raised thousands of dollars for Small Fry, Little League, Babe Ruth and other youth sports programs throughout the Twin Tier.

Tennis

Like the Troys in golf, the Parkers are dominating the early entrants into the Tennis Hall of Fame.

This time it's Art Parker, joining brother Roy in the Hall.

Art was a scholastic champ in the early 1930s and after a year of service duty came back in 1947 to win the City Singles championship in an era when tennis was one of the less competitive sports in Elmira.

Art repeated as champ in 1948 and came back in 1949 to win brother Roy to win the City doubles.

Art starred in tennis at Ohio U. and today remains active in tennis in San Leandro, Calif., where he's assistant principal at San Leandro Junior High.

Joining Art in the 1974 induction is Bill Wipfler, who's high school coach at Elmira Free Academy.

Football

Howard McNamara, one of Elmira's greatest sports stars of the early 1930s, and Percy Brown, still considered to be the finest blocking back ever to wear an Elmira football uniform, have been voted into the standard Elmira Football Hall of Fame.

McNamara, whose brother Art is a charter member of the Football Hall, was a standout Elmira lineman with the Elmira change of 1922—one of Art's first EHS teammates.

Howard went on to Syracuse, later in 1934, 1935 and 1936 and turned down an offer to join the New York Giants.

Football wasn't Mac's only sport. He also starred in wrestling and track at Syracuse.

Brown was a stellar back who seldom carried the football in Hirt's scheme of things in 1933-34. Percy was basically a blocking back—and what a blocker.

It was Brown's devastating blocks which opened the door for such labeled EHS runners as Lew Rogowski, Mike Abbot, Pat (Mickey) McConnell, Don Longeneer, Bill Schwabke, Jack Biaggi, John Lennocelli and Larry Owen.

Following high school Brown went into the service, then came home to star in the same blocking back role for some of the great Cornell All-High and Elmira Gladiators teams.

Baseball

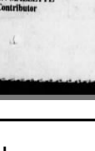

Bill (Duke) Bill Williamson always was a winner—and today he has won his biggest
