UTEP upsets Arizona

Continued from Page D-1

again with nobody out. But Stringer fanned Marv Thompson, forced Ron Hassey to ground out, walked Dennis Haines, and got the hot-hitting Scott Norris on a liner which second baseman Mark Miller dove for and caught behind the bag.

He set them down in order in the seventh.

What did UTEP coach Andy Cohen tell his crew after the first-game shellacking?

"I just told them to hang in there," said ancient Andy, "and battle hard. Roy is a fine, fine pitcher. I just have to stay away from using him too much."

The 'Cats took a 3-0 lead in the first inning, but the Miners got two back in the second when starter Joel Godfrey and reliever John Roslund turned wild. Then they took the lead for good in the fourth with three runs.

Three walks by Roslund loaded the bases with nobody out, and a two-run single by Glenn Villarreal and a one-run safety by Bob Downing got the runs home. UTEP added another in the fifth on a walk, and singles by Herb Von Hagen and Miller.

Starter Jeff Hogan notched

the victory, allowing seven hits and five walks in his four innings plus.

Scott Norris' WAC record eight runs batted in, and another record 16 walks issued by Miner pitchers were the headliners in the first game romp.

Norris, now 11-for-20 with 17 RBIs in WAC play, hammered a solo home run in the second inning, then connected for a grand slammer (his 9th roundtripper) in the third. He singled in a run in the fourth, walked with the bases full in the seventh, and was hit by a pitch in the eighth with the sacks full again.

"It's getting so I can't wait for my next time at bat," said Norris, hitting but

.250 prior to the series. "I'm just getting aggressive at the plate, and that's something I wasn't for some time."

Mark Schimpf got the win, with relief help from Steve Powers. It was Mark's 17th straight victory at UA, and the tenth this year.

The team hit the 20 mark for the fifth time this year, a school record; broke the doubles mark set in 1970 with 108; and Thompson socked his 19th double, tying John Glenn's mark set in 1972.

But it was a Dr. Jekyll and Mr. Hyde day for UA, and the Miners can no longer be called patsies. "We have a chance with Roy going for us," said Downing, a Glendale Community transfer, "we have a chance."
