

Tribe Signs Mele; Rain Washes Out Tilt With Millers

INDIANAPOLIS (UP) — The Indianapolis Indians, idled by rain Wednesday night after losing a six-inning 1-0 decision to Minneapolis in the American Association season opener the night before, are scheduled to open a two-game series with St. Paul here tonight.

And Indians' Manager Andy Cohen has hopes of inserting veteran major league outfielder Sam Mele in the starting lineup. Mele, 34, was signed by the Tribe as a free agent after being released by the Cleveland Indians.
