

WT Buffs Win; UTEP Bobbles Ball

Errors plagued coach Andy Cohen's U.T.-El Paso baseball team and the Miners hoped to cut down on mistakes in today's contest against West Texas State.

The Buffalos swept both ends of a doubleheader from the Miners yesterday, 9-2, 5-1.

WEST TEXAS left fielder Tony Cazzelle blasted his team into an early lead with a three-run homer in the first inning. U.T.-El Paso's Frank Del Toro countered with a two-run blast in the bottom of the first, but that was the Miners' last hope for blood until the bottom of the seventh when they loaded the bases with two out.

Buffalo hurler Dave Sharp forced Miner outfielder Lali Maldonado to fly out to left to end the game.

Miner pitcher Mike Beltran yielded four unearned runs in the second game
