

2 Colorado Teams Play Miners Here

A Colorado baseball invasion of El Paso will take place this week. First, Denver University will come to El Paso to play U.T. El Paso Miners in single games at Dudley Field Thursday and Friday.

Then on Saturday, Southern Colorado will face the Miners in a twinbill starting at 1 p.m., at Dudley Field.

COACH ANDY Cohen will start converted catcher, Tim Peden, in Thursday's game and probably will use lefty Joe Kuenster Friday.

The Miners dropped their last two games, a twinbill with Texas Tech, 9-5 and 16-1. It gave them 4-9 season's record.
