

C of C Cites Azar For Beauty Drive

The El Paso Chamber of Commerce will honor Richard N. Azar and his company tomorrow at an awards luncheon which it is hoped will also mark the start of a more intensified local campaign to beautify the community.

Chamber President George V. Janzen will present Azar with the Chamber's outstanding service award for the work which he and his company—Dickshire-Coors—have done in recycling aluminum cans and general beautification in the community.

The informal luncheon will be held at the Dickshire-Coors

states that the present 110 acre irrigation area used by Mountain Pass is adequate but that the additional acreage will improve the system.

plant at 203 Chelsea and will be followed by small conducted tours for those interested in seeing the re-cycling program in action.

Guests at the luncheon tomorrow will include Malcolm Harris, chairman of the Citizens Environmental Council of El Paso, Andrew H. Cohen, president of the Beautify El Paso Association; Marvin Korf, chairman of the Board of Health; and Mrs. Andy Fuentes, chairman of the Woman's Department of the Chamber of Commerce, and Maurice Acers of Beaumont, Tex., who is president of the Beautify Texas Council.
