

public and by one run or 10.

Ossie Virgil's debut in Detroit with the Tigers reminded of the time Andy Cohen broke in with the New York Giants with the unenviable job of succeeding Rogers Hornsby at second base . . . For years the Giants had been looking for a standout Jewish star. Andy clicked off four hits that first day. "Andy Cohen Clubs" sprung up all over Manhattan. He couldn't hold the pace, though, returned to the minors and now is recognized as one of the best managers in the game . . . Virgil was Detroit's first Negro player. He got five hits on his maiden appearance in the Motor City . . . Where'll he go from there remains to be seen. A big initial splash can be a handicap.

News for lovers of good vocal music is that I have contracted to render a song on WKXV Tuesday at 5:10 p.m. The recording already has been made. It is a composition of my own and is "sit 'n' rock" rather than "rock 'n' roll" music . . . High school sports got a good break when Ralph Hutchins decided to return to the fold. The new Fulton coach racked up a splendid record on his former activity in this field. The trademark of his Rule elevens were esprit de corps . . . Really aiming for the skies, Alabama has hired Bob Luna as a member of the staff. Next: John Sol.
