

BASEBALL CHATTER

Cohen Is Called
'Top Manager'

By MAX GREENWALD

If Indianapolis fans get a thrill out of close pennant races, Andy Cohen may be able to provide plenty of excitement.

In his managerial career which started in 1940, the new Indian's skipper had a five-year stretch in which his teams won or won the pennant on the last day of the season.

Cohen's Eau Claire team won on the final day in 1949 but the same club was edged out in the same fashion the next year.

IN 1951, his Denver club lost the final game at Colorado Springs, giving Omaha the championship.

Then in 1952 the Bears defeated Pueblo in 10 innings on a passed ball to top the pennant as Colorado Springs lost at Wichita. Denver and the Sky Sox entered that last day tied for the lead.

In 1953, Colorado Springs captured the flag on the final day and Denver was second.

Cohen's greatest successes as a manager came during his four-year tenure at Denver while it was in the Western League.

And his appointment as Tribe manager was hailed there. Said Jack Carberry, in his "2nd Guess" column of the Denver Post:

"Og joy over the elevation of Andrew Howard Cohen to managingship of the Indianapolis club is tempered only by the fact that the team that was the real thorn in the side of the Bears for the past two years will remain a tough customer."

Sooners Win
Going Away

Norman, Okla. (AP)—Unbeatable Oklahoma methodically rolled to its 39th straight football victory yesterday, overpowering Nebraska 54-6 with an eight touchdown barrage that closed out a decade of Big Seven Conference domination.

The No. 1 ranked Sooners lacked some of the razor-edged sharpness that beat Missouri 67-7 for the Big Seven pennant last week.

For the record book, the 39th consecutive victory tied the all-time college record of Washington back in 1908-1914. Since 1947 when Bud Wilkinson took over as Oklahoma head coach, the Sooners have not lost a league tilt.

Tommy McDonald, Oklahoma's All-American, Quarterback Jimmy Harris and alternate Halfback Carl Dodd each scored two touchdowns with David Brown and Dale Sherrod each making one. Brown's came on a 53-yard run.

Nebraska 0 & 0 D-4
Oklahoma 54 30 13 7-34

Oklahoma Scoring-Touchdowns: McDonald 18 (pass) from Harris, 46, pass from Harris; Dodd 35, run, 13, pass from Harris; Harris 15, catch 31, punt, Brown, 13, run, Sherrod 15, punt, Carverius Harris 1, Dodd 1, O'Neal 1, Ballard 1. Nebraska Scoring-Touchdowns: Cook 15, pass from English.

"As manager of Denver in the Western League and New Orleans in the Southern Association, Cohen has earned his promotion to AAA ball.

"In this corner's opinion, Cohen ranks with the best managers in minor league ball and can be counted on to pilot a club which will be a credit to the American Association.

"He is to be congratulated. So, too, is Indianapolis and the league."

DRAFTS — Military service calls are making it a little more difficult for the Giants, who had been hoping to move out of the second division.

Willie Kirkland, rookie outfielder, has been instructed to report for induction to Detroit Dec. 7. "He had a fine year at Minneapolis," said Giants' Secretary Eddie Brannick, "and looked like he could make the grade."

Previously, First Baseman Bill White was called to his home in Warren, O., for a service call Dec. 3. Outfielder Jackie Brandt was called just about as the 1956 season ended and the fourth Giant in uniform is Pitcher Paul Giel.

Kirkland hit 37 home runs for Minneapolis and drove in 112 tallies.

TWO FORMER infielders were the big leagues' best hitting pitchers this year.

Tom Sturdivant, who played second and third base in the Yankee farm system until 1952, batted .300.

Jack Harshman, a former first baseman, batted only .169 but he hit six home runs. The majors' record for pitchers in nine, accomplished by Wes Ferrell of Cleveland in 1931.

Runners in the average column was Jim Wilson with .299.

MOVING UP FAST—Clyde King, who pitched for Indianapolis in 1954, will manage Hollywood next year, succeeding Clay Hopper.

The former Brooklyn and Cincinnati hurler led Atlanta to Southern Association pennant and playoff honors this year in his first full season as a manager.

CLASSES ARE in session at Florida Southern College at Lakeland for students wishing to become baseball executives.

The school is conducting its eighth annual business administration course in front-office baseball management. More than 100 of its graduates are employed in organized baseball.

One of the faculty members is Bill Bergesch, Omaha general manager.

HIT and RUN—Jay Van Noy, third baseman-outfielder who opposed Indianapolis while with Rochester and Columbus, has joined the Utah State coaching staff. A former athlete at the school, Van Noy will be head baseball coach, assistant in football and instructor in physical education.

The White Sox have withdrawn from Waterloo, the club where the Chicago team's vice-president, Chuc Comiskey, received his executive schooling.

Mrs. Stan Hack was given their home in Sacramento, Cal., \$3,525 in government bonds, \$15,000 in insurance policies, \$600 alimony and \$350 a month child support in getting a divorce from the ex-Cubs' manager. She testified that their 24-year-old marriage was broken up because of another woman in Chicago.

Is Roy Campanella's excess weight or his injured right thumb to blame for his .219 batting average? An operation on the thumb, expected soon, may provide the answer.
