CLAUS' EM

Many are the gifts we're bringin' today
to stars you've cheered on fields of play

Emptying the presents out of our pack,
We'll give you a peek at what's in the stack

Right at the top, here's a flag
for Andy Cohen's new Indians' bag

Ribbons and paper of Noel Joyeaux
wrap goals galore for Leo Lamoureux

Year-end baubles tied with a bow
include Fieldhouse nets for Raymond Crowe

Coaches McCracken and Jordan and Eddy
will like these seven-footers, eager and ready

Hinkle, the Butler wizard, we're sure
can use some, too, his troubles to cure

Rounding up points for Nicoson's team
has kept old Santa pourin' on the steam

Indiana's 700-some high school mentors
each to his need — guards, forwards, centers.

Swimming heroes McKinney and Marchino
for Rome in '60 even more aquatic "go."

Tennis players like DeVoe and Massey
strokes that are both fast and sassy

May golfers like Nelson and the Dyes
get the best of bounces — and no bad lies

Also to Messrs. Campbell and Morey,
further national linkdom glory

Sending a spinning backfield top
To Purdue's gentleman Jack Mollenkopf

Then, for Terry Brennan of Notre Dame
players who next season won't turn up lame

Olympic's gymnasts Ruddick and Davis
let them from Russian dominance save us

And to Tony Hulman and all his crew
a race that's thrilling but safe, too

Let us forget the tracksters glory now to tell,
more golden medals for Milt Campbell and Greg Bell

Last but not least, for Indiana U.
A football coach who'll pull us through.
