

Tribe Strands 17 Runners

By MAX GREENWALD, Star Sports Writer

Hollywood, Fla.—There's such a thing as winning baseball games the hard way but there doesn't appear to be any other way for the Indianapolis Indians.

The Tribe gained its second straight one-run victory over Buffalo yesterday, this time in 11 innings but still couldn't take advantage of its scoring chances.

In the 11th, the Indians needed two walks, an error and a single for the 5-4 decision. The ace which drove the deciding marker was provided by Gene Martin, 20-year-old catcher who was with Waterloo last year.

The Tribe has stranded 33 runners in its three Suntan engagements while cracking out 43 hits, but 32 of the safeties have been singles which indicates the need for a power man at the plate.

Indianapolis left 17 yesterday as Bison hurlers contributed 11 walks. For the second straight day, Manager Andy Cohen has been embarrassed in having a runner caught at the plate trying to score from second on a single.

The Tribe pilot especially would like to have a long ball driver among his outfielders. This is where Jim Delsing, still a stubborn holdout, could help. Incidentally, Delsing turned down the Indians again this week after what General Manager Ray Johnston said "is our last offer."

COHEN AGAIN was pleased with his pitching, especially with the work of Glen Rosenbaum, the rookie whose home is in Laporte County, Ind.

The 20-year-old righthander, 15-5 last year at Waterloo, was yesterday's winner as he stood off the Bisons in the last two innings.

Dick Atkinson, the starting moundsman, also did a good job. A 25-year-old right-hander, Atkinson was 7-10 in 1956 at Sioux City. He allowed Buffalo only one hit in his three innings and the tally off him was unearned as third baseman Charlie Williams made a high throw and outfielder Darrell Lindley let a single get through him.

Six-foot-6 Willis Sperry wasn't scored on in his three-inning turn although he had six base runners to vex him. Sperry is a 20-year-old right-hander up from Duluth-Superior.

short-term Tribesman, Luke Easter.

WHEN LUKE completed his swing, the ball was on its way to the Dixie Highway in back of right field, landing about 365 feet away from home plate. That made the score 4-4 and sent it into the overtime.

The Tribe's only extra-base hit, a triple to right center by Don Mincher, brought in a tally in the first inning. A sacrifice fly by Chris Salberg accounted for a run in the second and one in the third came across on a fielder's choice.

Three walks and a balk gave the Indians a marker in the seventh. The balk occurred which Dick Sposota fell on the mound while trying to deliver the ball. Dan Halsema got his first chance in left field. He is the 22-year-old rookie from Lafayette, Ind., signed by the Tribe after a short stay at Purdue University.

Indianapolis plays its fourth game against Buffalo today.

Shortstop Don Prohovic and Catcher John Roman sent down by the White Sox arrived in camp here yesterday afternoon.
