# Indians Edge Toronto, 6-5

## Prohovich Moves To Third Base

Hollywood, Fla. — Still experimenting with the start of the American Association season just a week away, the Indianapolis Indians nevertheless maintained their winning pace yesterday.

The Tribe edged out Toronto, 6-5, after the Maple Leafs scored all their runs their first time at bat.

Manager Andy Cohen moved his shortstop, Don Prohovich, to third base to familiarize the youngster with that spot. This test bore out speculation that the Indians soon may latch onto a more experienced shortstop in the frantic days of maneuvering prior to the season's start.

**Prohovich didn't have any hard chances at third but contributed three hits in the total of 11. Humberto Robinson, the skinny Panamanian obtained on option from Milwaukee in the Carl Sawatski deal, went the route for the Leafs.**

With 20 pitchers remaining on his roster and no more than 12 likely to go north, Cohen hasn't been able to let any hurler make the route-going try. He wants to see as many pitchers as often as he possibly can before cutdowns are made.

Barney Atkins didn't appear loosened up in the first inning as Toronto laced into his offering for five hits. There also were two walks.

He blanked the Leafs the next three innings, however, retiring Sam Jethroe on a bouncer with three on in the third.

**PHIL BROWN** continued to make a good impression as he put his spring record at one earned run in 10 innings. There were two hits off him in the seventh, but he got Jack Daniels to ground to Vince Garcia for a double play.

Southpaw Chico Arias gave up the ninth Toronto hit, all singles, but didn't permit anything else in his two sessions.

**Ted Beard and Prohovich provided run-scoring singles in the first frame as the Indians began whittling away at the Leafs' margin. Beard continued as the top Indianapolis RBI man with 12 in his 14 tilts.**

Prohovich's double knocked in a run in the fifth as did Ron Cooper's single and a sacrifice fly by Charley Williams. Two of the three tallies were unearned as Mike Goliat made a bad throw.

The 5-5 draw was broken with another unearned marker in the eighth. Shortstop Hector Rodriguez fancy-danned Sam Hairston's hopper into a fumble. Arias sacrificed and Hairston scored on Dick Means' single to right.

**HIT AND RUN** — When Means was picked off first after making the turn, a ferocious squabble ensued between Tribe Coach Johnny Hutchings and Frank Guzzetta, International League umpire.

Outfielder Jim Delsing appeared in the Indianapolis lineup for the first time and singled to center as a pinch hitter. The Tribe's Suntan League record stands at 10-5 and today's exhibition will be at Pompano Beach against Buffalo.

## Canadiens Nip Bruins By 1-0

Montreal (UP)—The Montreal Canadiens made Jean Beliveau's second period goal stand up as they blanked the Boston Bruins, 1-0, last night to take a 2-0 lead in the Stanley Cup finals.

Beliveau scored a picture goal in the early minutes of the middle period and that was the game. The big Montreal center took Bernie Geoffrion's pass at the Boston blueline and burst in alone. He started faking goalie Don Simmons from about 15 feet out but the Boston net minder didn't move until Beliveau was right in front of him. Beliveau finally pushed the puck through Simmons' legs at 2:27.

Leo Labine and Defenseman Bob Armstrong both made desperate efforts to check Beliveau, but were too late.

**FOR JACQUES** Plante, Montreal's Vezina Trophy winning goalie, it was his first shutout of this year's playoffs and his sixth playoff shutout. Throughout most of the game he had a fairly easy time in the Canadiens' nets, but when the Bruins opened up late in the third period he was forced to make several tough stops.

Simmons, who was beaten four times by Maurice Richard in the opening game, was perfect but for Beliveau's move. In all, he stopped 22 shots while Plante handled all 24 the Bruins threw at him.

Through the first 50 minutes the crowd of 14,500 had to settle for a close-checking game with a minimum of excitement.

Both teams caught fire in the final 10 minutes with furious rushes but there was no more scoring. The Bruins removed Simmons with 40 seconds to go but Plante stopped everything that came his way.

**New Chevrolet trucks stay on the job . . . save on the job . . . with the industry's most advanced short-stroke V8's and the 6's famous for economy. And they're loaded with ultra-modern features to boost your hauling efficiency to an all-time high!**

Ever since way back in 1937—in every production year—Chevrolet has been America's biggest selling truck. That's pretty strong evidence, we think, that Chevy's been the biggest *saver* all those years. When truck buyers find a truck that delivers more work per dollar, they stay with it.

They're staying with Chevrolet again this year! And you don't have to look far to find the features that make these new Task-Force trucks the biggest savers on any job. Under their hoods, for instance, you'll find the most advanced and efficient truck engines going. Deep-breathing short-stroke V8's that deliver high horsepower per pound are either standard or optional at extra cost in every model. These ultra-modern V8's have the shortest stroke of any truck V8 on the market today. Of course, that means less piston travel, less friction and wear. You get hard-working V8 horsepower that saves hours and dollars on your job!

*The 6's most famous for economy!* All new light-duty models and some medium-duty jobs are powered by the very latest versions of Chevrolet's famous truck 6. Series 4000 trucks offer the Thriftmaster 6—most powerful 6 in the light-duty field. Chevy's big Jobmaster 6 is *standard* this year in Series 6000 trucks.

*Husky frames built to take it!* Every Chevrolet truck has a rock-solid frame that'll shoulder big loads. These hefty frames have parallel side-members—like the sides of a bridge—for maximum strength and rigidity.

**NEW FROM CHEVROLET**
**Heavy-Duty Forward Control Models**
Chevy offers two new high-capacity Forward Control models, including the industry's biggest—model 6642. These chassis are rated up to 18,000 lbs. G.V.W.

There are lots more new reasons why Chevrolet trucks will stay on the job and save on the job. Your Chevrolet dealer will show you a model that's made to order for your kind of hauling.
