

Sox Send Tribe 3d Lefthander

By MAX GREENWALD

Manager Andy Cohen received some more help from the Chicago White Sox last night.

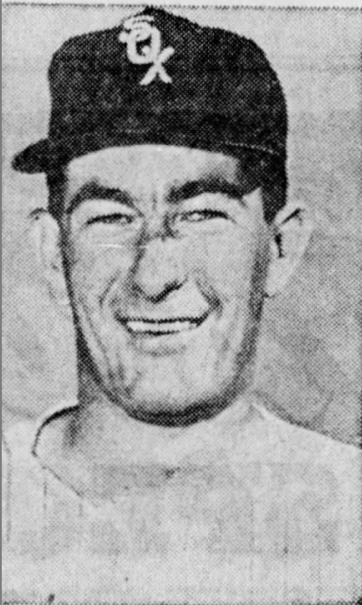

The Indianapolis Indians' manager had another pitcher for his roster, giving him 14 moundsmen on the squad of 25 which will open the season here tomorrow night against Minneapolis.

Tom Flanigan is the addition and he is a southpaw. Cohen has just two other lefthanders — Don Rudolph and Chico Arias.

The 23-year-old Flanigan was a reliefer with Memphis last season, compiling a 9-5 record. He made only two starts in his 47 appearances.

Flanigan worked 109 innings, struck out 97, walked 34 and had an earned run average of 3.75.

THE HURLER was signed out of Elder High School in Cincinnati in 1952. That year he went to Madisonville, Ky., where he was 9-5 with a fine 2.59 ERA.

TOM FLANIGAN

Flanigan had arm trouble while with Waterloo in 1953 but was 7-4. Then with Memphis in 1954 he was 4-5 and in '55 he had a 12-8 mark.

Cohen and 12 of his players arrived in Indianapolis early yesterday by plane. There was no workout yesterday but the Tribe will drill today from 11 a.m. until 2 p.m.

The Minneapolis squad is expected to arrive here at noon today and the Millers will also go to Victory Field for a workout.

Cohen and his entire squad will make their first Indianapolis appearances at 6:30 o'clock tonight at the 10th annual father-and-son dinner of the Indianapolis Power & Light Company.

ABOUT 550 persons, a capacity turnout, is expected for the annual event at Ipalco Hall. Cohen will speak and Harry Geisel, a veteran at this affair, will be master of ceremonies.

Ticket sales reached a total of \$62,345 when the ball park office closed last night. This sum is the total received for season tickets, special nights, coupon books and opening night.

This total eclipsed the previous all-time advance sale record of \$59,005, achieved in 1949. Last year's mark was \$42,216.
