

Southern Illinois Downs Miner Nine

Southern Illinois University unlimbered 14 hits, bunching five of them in a five-run fifth inning, to snap the winning streak of University of Texas at El Paso with a 9-7 victory Thursday afternoon.

It was the first loss for the Miners in their last nine starts, and left them 8-3 for the season as they open a three-game set with Colorado State College at 2:30 p.m. Friday at Dudley Field. A doubleheader is set for Saturday. The victory squared the set with SIU.

The Salukis got two runs in the second inning off starter-loser Ron Peterson, but the Miners tied it with single counters in the second and third.

The visitors got to Peterson in the fifth after a double error put a man on second base. There came in order a single, triple and triple and

reliever Larry Smith, who was tagged for two more singles for the last two runs. Another run scored in the sixth and Bill Clark smashed a solo homer in the seventh.

Miner coach Andy Cohen experimented liberally with his mound corps, sending Don Wilson, Ron Jones and Bill Onick to the hill in the last four frames.

The Miners had their own five-run rally in the eighth on four hits and five walks, and had a man on base in the ninth before the Salukis extinguished the fire.
