INDIANAPOLIS, IND., May 11
—Wichita and Indianapolis ball clubs will go at it again tonight after a heavy rain Friday had interrupted the two culbs at end of the third in a 1 to 1 tie.

"I may send Tony Ponce back, he didn't even have a good warmup tonight," said Manager Andy Cohen of Indianapolis after the game.

Cohen said Ponce, former Louisville kuckle ball expert had looked real good for three innings and had deserved a shutout.

So did young Jerry Nelson who also pitched great ball and was a victim of a mishap in left when Ev Joyner slipped on the damp turf and lost an easy fly which went for a double. Ponce who hit, scored on two successive outs.

"Nelson had a lot of stuff, an excellent curve. He ought to be quite a fine pitcher," the Indianapolis pilot said about the tall young Brave.

Charley Gorin was announced as a probable starter after the game but it would not be surprising to see any of the Wichita staff in there, except Carlton Willey.

The new Braves catcher, Ray Holton, arrived and donned a Wichita uniform.

The Braves and Indians play a double header Sunday afternoon. The washed-out game will be played off here in early July.
