Cohen Most Successful Phil Pilot in History

Phils Shaken By Sawyer Resignation

By Russ Green
PHILADELPHIA (UPI) — The Philadelphia Phillies, still shaken by the surprise resignation of Manager Eddie Sawyer, awaited the arrival of new skipper Gene Mauch today to take over as the third pilot of the club in three days.

Sawyer, the only two-time manager of the team in its 54-year history, resigned with startling suddenness Thursday. Coach Andy Cohen led the Phillies to a 10-inning 5-4 victory in Thursday

night's game with Milwaukee and the peppy Mauch was scheduled to reach Philadelphia from Florida today.

The club's front office, beginning with President Bob Carpenter through General Manager John Quinn and right down to the team itself insisted that Sawyer's decision was a bolt from the blue, a real shocker.

Quinn, awaiting the early afternoon arrival of Mauch, who left as manager of Minneapolis to take over the Phillies, said "I rode in from Cincinnati on the

plane with Eddie. We sat together. We had dinner together. We picked up our luggage together. There was never an inkling of his decision."

He had asked Sawyer to reconsider during the phone call of resignation and commented he would still be the manager if he wanted to.

Quinn also said there was no disagreement between Sawyer and him on personal matters, adding, "I never interfered with my manager and I never will."

The Phil's general manager,

who recommended Mauch for his managerial job at Atlanta, ticked off the reasons for his choice over pilots in the Phil's chain in the face of the newcomer's minor league record of a third place finish with Atlanta and second and third in two seasons at Minneapolis.

"He gets along with people and will get along with ball players," Quinn said, explaining swiftly that it was no reference to reports that Sawyer had lost the confidence of his team.

"Mauch was not a great ball

player but he gave 100 per cent of what he had and he was always trying to improve himself. He paid attention to whom ever he played for," Quinn continued.

"He learned all phases of the game. He wants to do well and he won't do it halfway. He has great ambition, desire and determination."

Quinn added, "More than I among baseball men share the opinion that he is one of the best young managers coming along in the game."

Resumes 'Box' After Scoring A Big Victory

It was short and sweet for interim Manager Andy Cohen of the Phillies, who comes down from cloud nine today and goes back to the coaching line again.

Cohen waited 30 years for crack at a major league managing job and when he finally got it, through a strange combination of circumstances, he certainly made the most of it.

Out-clicking Charlie Dressen, he led Philadelphia to a 10-inning, 5-4 victory over Milwaukee Thursday night and if nothing else, Cohen can always say he "retired" as the most successful manager in Phillies' history.

A McGraw Man

In case you've never heard of Cohen, he's the same fellow John McGraw dug up to play second base for the Giants in 1924 when McGraw wanted to give New York fans their first look at a Jewish ball player. Now 55, Cohen was hired as a coach by the Phils this year and was delegated to lead the club Thursday night a few hours after Eddie Sawyer suddenly quit as manager.

Cohen knew he was simply a stop-gap until Gene Mauch, the Phillies' new pilot, could join the club from Florida. But he did a job that would have made McGraw proud.

The Braves jumped in front with three runs in the first inning when Hank Aaron slammed a two-run homer and Joe Adcock followed with a solo blast. But the Phils battled back and tied the score at 4-4.

Bobby Del Greco, who had homered earlier, walked to open the 10th and stole second. Jim Cofer flicked out and Cohen then sent up Ted Lepcio to hit for pitcher Don Cardwell, whose homer tied the score in the sixth. Dressen countered by bringing in Bob Giggie to relieve Juan Pizarro.

Dark Collects 2,000th

Not to be out-done, Cohen replaced Lepcio with left-handed hitting John Callison, who was purposely passed. After all that master-minding, Joe Koppe singled home the winning run. Alvin Dark of the Phils collected his 2,000th hit when he singled during a three-run sixth.

The Dodgers handed the Cardinals their third straight loss, 5-2; the Cubs inflicted their first defeat of the season upon the Giants, 6-5, and the Pirates crushed the Reds, 13-0.

Gill Hodges drove in the tying run for the Dodgers with a triple in the ninth and then scored the winning one on Bob Dula's wild pitch. Ken Boyer and Duke Snider each hit homers. Ed Reebuck relieved starter Johnny Podres in the eighth and was the winner. Dula, the Cards' fourth pitcher, was the loser.

A wind-blown pop-fly double by Frank Thomas in the ninth scored Bob Will with the winning run for the Cubs after the Giants had tied the score at 5-5 on Willie McCovey's three-run homer in the eighth. Orlando Cepeda and Willie Kirkland also hit homers for the Giants while Ernie Banks hit the eighth grand slam of his career for the Cubs. Don Elston was the winner and Billy D'Elia the loser.

Pirates Crush Reds

Vern Limb limited the Reds to seven hits while his Pirate teammates clubbed loser Cal McLish and four relievers for 11 asafeties in Pittsburgh's home opener. Roberto Clemente drove in five runs with a pair of doubles, a single and a sacrifice fly, and Bill Mazeroski accounted for four more with a double and a homer.

The game marked McLish's return to the National League, which he left in 1949 and came back to this season after winning 19 games for the Cleveland Indians last year.

The American League still is playing exhibition games. Baltimore defeated Kansas City, 3-0. Detroit defeated Washington, 8-3. Cleveland topped Boston, 5-1, and New York beat St. Louis 10-0.

Styrons Lead N'east Over Tiger Harriers

MONROE, La. (UPI) — The spectacular Styron twins again paced Northeast State's tracksters to victory, an easy one, over Louisiana State's Tigers Thursday.

For the third week in a row, Don Styron equaled the year's best high hurdles mark in the nation. He and identical brother Dave smashed four individual course records and ran legs of the 440 and mile relay teams that broke local marks.

Ten stadium standards were shattered before the officials totaled 102 1/2 points for the Indians to 41 2/3 for the Tigers.

Don did the 120-yard high hurdles in 13.9 as he did in each of the past two weeks. Dickie Durham, top hurdler for LSU, injured his leg on the first hurdle and placed only fourth.

The Indians' all-victorious mile relay team posted a national mark for the season with 2:16.9, its best time yet. They are near Sugar Bowl champions.

Down First Places

Northeast took 12 first places, LSU got three and there was a tie in the pole vault.

Dave Styron, springing half of the feet-footed combination, ran the 100-yard dash in 9.5. He finished only a step behind Bobby Morrow in the 100 meter event last weekend at the Southwestern Relays.

Roger Beumer took second place in the century dash for the Indians, and Tiger Ralph Fabian was third.

Dave and Beumer finished in the same order in the 320-yard dash ahead of LSU's Ralph Fornal. Don Styron led in the 200 yards, with Fabian and Durham second and third.

The Styrons shared high-point honors, each tallying 129. Teammate Jerry Dyes, who won first in the javelin and broad jump, captured 12 1/2 points.

Fraley Sex

By Oscar Fraley
NEW YORK (UPI) — The surging Continental League today gave organized baseball on October deadline to "do something affirmative or get flattened."

"There are two alternatives if the established major leagues don't change their attitude on players and territories," said William A. Shea, aggressive Continental League legal counsel. "We can get help from Congress or take affirmative steps of our own."

Shea refused to expound on the latter course but, from the manner in which he said "we are ready to put on two pairs of brass knuckles," it was indicated that the proposed new league might be ready to ignore baseball's long-attacked reserve clause contracts and bid for any and all players.

"We are tired of lip service for monopolistic reasons," he asserted.

The fact that a lefty topped the field was a rarity and Jim Gaspin, PGA field secretary, said it was one of the few times a left-hander has ever led a PGA-sponsored tournament.

Wood, who stands 61 and weighs 160 pounds, slashed five off par Thursday with an opening round 35-35-66. He attributed his low score to a superb putting performance. He sank a 35-footer for an eagle three on the 453-yard par five 18th hole.

ed. "It is time that the individual owners realized that they owe a debt to baseball and to the public and sit down with us honestly with a real desire to settle this situation."

Shea said that the organized major leagues "haven't done one thing to help" and that, while he had nothing personal against baseball commissioner Ford Frick, he was "dead against Frick's lip service to Congress without making one single overt attempt to help."

The husky black-haired attorney admitted that he felt the proposed third major league's position had been strengthened by impending approval of construction of a new stadium in New York.

"It is very definitely the key factor," he explained. "It gave us substance and now the rest of our cities can put on full steam ahead."

These cities are Atlanta, Dallas, Fort Worth, Houston, Denver, Minneapolis-St. Paul, Toronto and Buffalo.

Admitting that "something will have to be done by October," if the new league is to get into operation by its planned 1961 target season, Shea insisted that the Continental League was completely willing to cooperate.

"We don't want players off their rosters," he said. "But we want a chance at the players being held back in the minors. Yet it seems apparent that the 16 major league owners selfishly insist on dividing up the United States and don't want anybody else in their private club."

One reason for such unwillingness to share, it might be speculated here, is that other sources predict that pay-as-you-go television is no more than five years away and the major leagues at such a time will split up the juiciest melon in sports history.

Southpaw First Round Leader In Greensboro Golf Tourney

GREENSBORO, N.C. (UPI) — Thorne Wood, a left-handed golfer from Asheboro, N.C., led a field of 129 today into the second round of the \$17,500 Greater Greensboro Open golf tournament.

Wood, who stands 61 and weighs 160 pounds, slashed five off par Thursday with an opening round 35-35-66. He attributed his low score to a superb putting performance. He sank a 35-footer for an eagle three on the 453-yard par five 18th hole.

Avila Will Stay In Mexico Loop

MEXICO CITY (UPI) — Hold-on Bobby Avila meant it when he vowed to stay home all summer.

The 35-year-old Mexican native has been optioned to the Mexico City Tigers of the Mexican League after failing to reach a salary agreement with the Milwaukee Braves.

Avila arrived here Wednesday night and said the optioning was done at his own request.

Winner of American League batting title in 1954 when he hit .341 for Cleveland, Avila spent 12 years in the major leagues. He played with Baltimore and Boston as well as Cleveland and Milwaukee.
