REAVES BECOMES MINER — Derel Reaves, former Victoria Stingaree, is shown signing a full scholarship to the University of Texas at El Paso, as his

mother, Mrs. Gordon Greeson, looks on. Reaves finished a two-year stay at San Jacinto Junior College in Pasadena.

Miners Ink Reaves

"One of these days I'm gonna go after your boy," said Coach Andy Cohen of University of Texas at El Paso Miners' to a woman sitting in the stands at a San Jacinto-Temple baseball game last year.

The 'boy' he was speaking of was Derel Reaves, who was pitching at the time; and the woman was Mrs. Gordon Greeson, Derel's mother.

"I need pitching to compete in this league we are in (Western Athletic Conference), and I think Reaves is one of the boys I need to help me," added Cohen.

Reaves signed with the Miners Tuesday after finishing two years on the mound in Pasadena for the San Jacinto Ravens.

In those two years, Reaves hurled a perfect game, the only one in Raven history, and ended with a two-year ledger of 10-6.

"His record isn't what I really looked at," said Cohen. It was the way he threw the ball; he

showed a lot of mound discipline."

Reaves played his high school baseball for coach Robert Tripson at Victoria High School.

Reaves also joined five other Ravens on the Texas Junior College Athletic Association All-Conference team this season, sporting two shutouts to his credit. The first shutout this

season was against the Bee County Cougars, a 1-0 one-hitter. His second was in the Alvin Junior College Tournament against Alvin, which the Ravens won 4-0, on a three-hitter.

Reaves also recorded a shutout in his first year at San Jacinto against Tyler Junior College, which the Ravens won 4-0. Reaves struck out 12 batters.
