

E.P. Diablos Set to Play UTEP Miners

El Paso Diablo General Manager Jim Paul completed his team's 1975 baseball schedule today with the announcement of an April 9th exhibition game with Andy Cohen's University of Texas at El Paso diamond squad.

The revelation came on the heels of the Diablos' agreement with the Mexican League Juarez Indios to meet in a home and home exhibition series May 11 (Juarez) and July 21 (El Paso).

EL PASO'S other exhibition game will be against its older brother Salt Lake City club, Class AAA affiliates of the California Angels, on Aug. 14 in El Paso.

Paul had also attempted to negotiate a home and home exhibition series with the AAA Pacific Coast League Albuquerque Dukes, AAA ballclub of the Los Angeles Dodgers. The Duke City roster contains many former El Paso (1972) standouts and former El Paso business manager Willie Sanchez is now general manager of the Dukes. However, LA officials were not enthused with Paul's plan.

THE DIABLO-MINER game will be a night time affair (7:30), giving new El Paso manager Jim Williams and his crew their first look at Dudley under the lights.
