

to play a full season in the Bradford, who first started in only 39 games last year,

UTEP Bats Start to 'Perk'

Catcher Joe Dehn's anemic bat awoke with four hits and Sam Cox combined with reliefer Bob Knox to hurl a seven-hitter yesterday as the University of Texas at El Paso cruised to an 11-3 intercollegiate baseball victory over Southern Colorado State College at Dudley Field.

The Miners and Indians continued their four-game series with a single game early today while SCSC played the University of Denver in a late afternoon tilt. UTEP and Denver meet in a 1 p.m. twinbill tomorrow at Dudley.

DEHN BROKE a 0-for-18 slump with four hits including

his first homerun in a Miner uniform as UTEP wore out SCSC starter Larry O'Breza with their entire offense, which included five unearned tallies. Dehn, the husky UTEP catcher drilled three early singles and then took an O'Breza fastball downtown with the sacks empty, capping the Miners' five-run, eighth inning outburst. The 4-for-5 effort raised his average to .174.

Shortstop David Nance chipped in with a trio of singles while leftfielder Bob Alsup, thirdsacker Glen Villareal and designated hitter Keith Rushing chipped in with two base knocks apiece. First-sacker Terry Dillingham's

basesloaded two-bagger chased across a pair of runs in the final uprising.

MEANWHILE righthander Cox, a slim 5-11 Riverside High graduate, hurled the first seven and one-thirds innings, permitting seven hits and all the Indian runs. Knox entered in the eighth and survived some wildness (three walks) to finish the tilt.

"Our offense is beginning to perk up," Miner skipper Andy Cohen admitted afterward. "Our goal this weekend is to determine some depth in our pitching staff as well as hopefully tune up our batting strokes."
