

## Miners Down SCSC

# Rushing Takes Job Seriously

University of Texas at El Paso's Keith Rushing took his job in the literal sense yesterday.

Rushing, the Miner's "designated hitter" did just that, pounding out three singles and driving home a trio of runs as the Orange won their ninth game in 13 outings, 8-4 over Southern Colorado State College in Dudley Field.

The Miners met the University of Denver in a doubleheader at Dudley at noon today.

**RUSHING CHASED** home leftfielder Bob Alsup on each of the three occasions the UTEP leftfielder singled, sparking an offense which gave righthander Hank Cohen his first triumph of the season. Shortstop David Nance also chipped in with two hits and two ribbies, one of which came on his first homerun of the season.

Cohen, son of Miner coach Andy Cohen, hurled the first five and two-thirds innings before giving way to southpaw reliever Mike Hilton. The latter pitcher finished up the seven inning contest by retiring all four batters he faced, one on strikes. Righty Cohen surrendered eight hits and all four runs (three earned) while walking four and striking out two.

**"THIS WAS** Hank's first appearance of the year and he just got tired," father Andy explained. "I guess I've kinda bent over backwards to avoid showing favoritism so I've ignored him a little. It's been

tough on the kid but I'm really proud of him today. He battled some wildness with his curve and hung in there real well."

## 'Tampering Case' given Kennedy By Buffalo Team

**BUFFALO, N.Y. (UPI) —** The National Basketball Assn. Buffalo Braves asked NBA commissioner J. Walter Kennedy to investigate possible "tampering" with the team's general manager by the New York Knicks.

Braves president Paul Snyder sent a lengthy telegram to Kennedy and the Knicks after two New York City Newspapers reported that Braves general manager Eddie Donovan would leave the team to return to the Knicks. Donovan was general manager of the New York team until 1970.

Donovan denied the reports, saying "there is no truth to the rumors at all."

Snyder asked Kennedy to conduct an immediate investigation of the reports and to add the topic to the agenda for next Tuesday's board of governors meeting in Chicago.

Donovan's contract with the Braves expires next month, but Snyder wrote Kennedy that "the Braves have been paying Donovan pursuant to the terms of a new three-year contract orally accepted in 1974 by Donovan."
