

Andy, Miners Turn Toward Lobo Series

Andy Cohen's U.T. El Paso baseball squad will try to pack up the pieces this week and get ready for a weekend journey to Albuquerque and a three game Western Athletic Conference baseball series with the University of New Mexico.

The Miners were buzzed twice last Saturday by powerful Arizona State, 12-0 and 18-6. The visitors amassed 35 hits in the Dudley Field twinbill while UTEP was held to 11, only two in the opener by Sun Devil righthander Greg Cochran who fanned 12 and didn't walk a batter in picking up his ninth victory without a loss on the 1975 season.

"ASU HAS some excellent pitching," Cohen lamented, "and their hitters handled our staff pretty well. That's not much I can say after that. Yes, I'm awfully disappointed but now we've just got to get ready to New Mexico."
