

Arizona, Miners Go Hit Crazy . . . Cats win in 11th

Dudley Field's reputation as a hitter's paradise wasn't harmed nary a bit yesterday but all those muscles being flexed weren't wrapped in Arizona uniforms.

"I thought we swung the bats today as well as we have all year," University of Texas at El Paso baseball coach Andy Cohen bemoaned. "I just wish we could have gotten a little more pitching to go with it."

COHEN SAW his Miners stumble to 0-13 in Western Athletic Conference play when Arizona's Wildcats erupted for three 11th inning runs to put away a wild 15-12 tilt in Dudley's cozy confines.

Combined the two teams not only produced 27 runs, but punched out 37 hits, 21 of them belonging to Wildcats hitters.

Still the Miners had two of the three big hitters on the day. UTEP second sacker Art Bravo, an Austin High graduate, had four singles, a double and a sacrifice and steady third baseman Glen Villareal rifled a two-bagger and his sixth roundtripper of the year, accounting for six runs batted in.

AFTER JUMPING to a quick 6-2 lead after two frames, the Miners saw Arizona bounce back to take the lead in the sixth. With the score knotted 6-all UTEP reliever George Landreth gambled and lost on a letter high fastball to the Cats' Pete Van Horne and the U. of A. first baseman planted it across the canal behind Dudley's left-centerfield wall. Before

reliever Dan Modlinski could get the third out the Cats had posted four more runs on the board.

Villareal's bat brought the Orange into a 12-all deadlock at the end of nine but Arizona scored a trip off UTEP loser Roy Stringer in the 11th, putting the game away.
