

Miner Sluggers Versatile

Versatility will be the mark of U.T.-El Paso's 1971 Miner baseball team.

Seven of manager Andy Cohen's 33 squadmen can easily adjust to positions entirely different than their regular spots.

Bob Prokopowicz, who led the nation in batting last year with a .471 mark, normally plays in the outfield, but can also handle catching chores behind the plate.

Outfielders Brian Harper, Frank Del Torro, Renee Hoffman and first string catcher Tim Peden are ready to handle mound duties when called upon. Infielder Terry Baker is an infield utility man.

Pitcher Marc Bombard will be used in the outfield when needed.

"We are looking forward to a good season," said Cohen, "the boys have a good attitude which leaves me very optimistic for the season."

U.T.-El Paso opens its 1971 season on February 27 at 1 p.m. against Ranger Junior College at Dudley Field with a double-header.
