

To Play Baseball for Miners--

Joey Pennies Gets UTEP Scholarship

Joey Pennies, a hard-hitting, sweet-fielding outfielder for the Coronado High Thunderbirds, has received a baseball scholarship from University of Texas at El Paso.

Pennies, the son of Mr. and Mrs. Joe Pennies of 1129 Stockwell street, was signed by Miner baseball coach Andy Cohen.

"I'm very happy to be going to UTEP," the 18-year-old, 5-foot-11 athlete said. "Mr.

Cohen is a great baseball coach."

PENNIES HIT .414 in District 1-AAAA play this year, including two homers. For the season, he banged out seven triples and four doubles while averaging .384.

Joey's high school baseball coach this year was Ralph Mantooth. He also played varsity baseball for Nemo Herrera, the now-fabled coach who has developed many great athletes.
