was instrumental in helping build a facility on campus. Although the Campus Field will be graded out to make way for a new business building.

He coached the Miners to a 22-29-1 record this past season which concluded yesterday. His team this year set 11 new school records, although the expanded schedule did help. McFarlin also was successful in establishing a fall program and an off-season weightlifting regimen.

The new coach will have 22 veterans returning off this year's team.

"The highlight of my career was just the opportunity Mr. Jim Bowden (UTEP athletic director) gave me to try and coach a major college team in one of the best baseball conferences in the country. Last season the highlight, though, was beating national power Oklahoma three out of four games. And this year, our 14-game winning

streak," McFarlin added.

Bowden indicated a search to replace McFarlin would begin immediately to insure the continuity in the baseball program of which McFarlin helped established. Current Diablo assistant and former UTEP player Mark Miller has indicated interest in the job.
