

Beautify EP Night Slated

El Paso Sun Kings will host "Beautify El Paso Night" Wednesday at Dudley Field when they play San Antonio. All persons attending the game will be admitted for half price if they bring a bag containing litter, cans or similar items.

Containers provided by Gil Saucedo of the City Sanitation Department will be available at the field to pick up the trash. Andy Cohen, president of the Beautify El Paso Association, said broken furniture or used clothing that could be donated to Goodwill Industries should be brought.
