Rams Blaze to Record Third Straight Road Trip Win

EL PASO, Tex. — Colorado State University's Rams won their third consecutive game of the season here Wednesday with an 8-7 victory over the University of Texas at El Paso.

It was the first time in recent years that Rams Coach Ferguson and his squad won three straight games on their annual spring road trip.

The Rams failed to win an early game last year against their experienced, warm-weather opponents who are usually favored to have eight to 12 wins road trip.

The Rams collected six doubles and opened the game with four hits in the first inning.

Larry Bancher, a junior from Greeley, started on the mound for the Rams and was relieved in the third by senior Ed Hansen. Bancher was given credit for the win after the Rams won three runs in the first inning and never trailed.

Leading pitcher was Terry Witt, who pitched for the Miners and was relieved by Larry Smith in the third. Lane Hines came on in the seventh inning and finished for the Miners.

CSU HIT THE ball well but a tough Miner outfield kept them out of many hits.

It was the first game of the season in which CSU played on a field with a 100-foot foul line.

The Rams were coached by former major league player Andy Cohen, who also is a former coach with the Denver Broncos.

CSU took six pitchers along on the trip. The team is scheduled to arrive back in Fort Collins late Saturday night.

CSU has a 3-2 season record going into today's game. Ferguson is assisted in coaching by Duane Banks.

The Miners are coached by former major league pitcher Andy Cohen, who also is a former coach with the Denver Broncos.

THE MINERS entered Wednesday's game with a 5-3 season mark and a team loaded with experience. But the relatively young Rams made a few of the Miners' powerful hitting by striking some of their men on base.

It was the defensive play of the Rams which won the game and prevented the Miners from taking full advantage of 12 hits as 10 players made it to the plate.

An alert Ram infield, which included two freshmen and two juniors kept the Miners from making the bases after getting solid hits. Also playing good defensive field were infielders Bruce Fishburne and Rod Urbina who made fine plays on two hits which bounced off the wall in left center field.

LEADING THE Rams at the plate were Collier Kerr with a double and Zach Villano with a triple. CSU got eight hits in the nine-inning game.

Loveland Nine Opens Season With 3-0 Win

By BUS TARBAY, Sports Correspondent
LOVELAND, Colo. — Junior right-hander John Loveland fired a perfect game Wednesday afternoon as Loveland won its 19th straight game.

Loveland, who made his varsity debut with a one-hitter, struck out five and walked only one over the seven-inning run.

"I really didn't plan to win today all the way," coach Larry Witt said following the game. "But he said he felt strong, and so long as he didn't start having control problems I decided to let him try."

HITTING STARS for the Indians were a pair of seniors, catcher Dave Houser and first baseman John Pollard. Houser boomed out a single and a double in his three turns at the plate and scored two runs. And Pollard, hitting first in the order, reaped a batting single in the bottom of the seventh and gave the Tribe its only earned run of the afternoon.

The Lovelanders collected seven hits in all. But they left seven runners stranded.

LUSSENDINE HELPED his own cause with a single and a double in three trips. Also hitting safely for the Indians were centerfielder Jim Kampe, third baseman Dick Ramirez, catcher Doug Barnard and shortstop Ralph Lutz.

Saturday, Loveland will host

Arapahoe of Littleton in a doubleheader featuring games at 10 a.m. and 1 p.m.

The Indians travel to Greeley Central Tuesday for their first Northern Colorado game followed by an April 3 contest at Fort Collins.

One thing about a used VW.

It looks as homely as a new one.

So when you get last year's model it's almost like getting this year's.

Especially since these cars have passed the VW 15-point safety and performance test. And have our 100% guarantee that we'll repair or replace all major mechanical parts* for 24 months or 100,000 miles, whichever comes first.

What you're getting is a car that not only looks almost new, it runs that way, too.
