

All Things Bad Happen to Miners

Special to The Herald-Post

ALBUQUERQUE — Things started bad for U.T.-El Paso's baseball team last night and everything went downhill from there.

Miner starting pitcher Roy Stringer had apparently retired the University of New Mexico Lobos with no trouble in the first inning. With two out Stringer had forced the "final" batter to fly out to centerfielder Joe Pennies.

Pennies caught the ball, but the home plate umpire ruled catcher's interference on UTEP's Jim Brundage. The next batter doubled to drive in a run.

THE MINERS committed five errors during the game. Errors helped the Lobos to a four run outburst in the sixth inning.

"Errors sure hurt us," remarked Miner coach Andy Cohen. "Everything seemed to go against us. We just weren't at our best at all."

UTEP outfielder Herb von Hagen was tossed out of the game in the third inning for protesting a third strike. Umpires emptied the whole Miner bench in the seventh inning for consistent verbal chants.

Glen Villarreal was the leading hitter for UTEP with a 3-4 performance and drove in one run. Stringer contributed a long home run over the left field wall in the sixth inning.

"New Mexico's pitcher (Kent) Seamon really checked us good," Cohen admitted. "We weren't able to hit him at all."

Ben Kern of El Paso failed to qualify for the final two rounds in the Monstanto. He had a score of 78-73—151.

'Joe Wins HJ, Moeck Third In Regionals

LUBBOCK — Irvin's (Jumpin' Joe) De La Cerda won the Region I high jump for the second straight year here yesterday and in the process tied the state HJ record of 6-10.

In the only other final Friday, Eastwood's Bobby Moeck capped a very impressive season by grabbing third in the shot put competition with a toss of 55-10 $\frac{1}{4}$, his seasonal best. Only the top two finishers in each event, however, go to the state AAAA finals in Austin.

Numerous other El Paso athletes qualified for today's final events including all of Burges' 10 entrants in 11 events, giving the Mustangs an exceptionally strong shot at a Region I team title.

In golf finals Coronado's previously undefeated squad took fifth in the regional meet with a 633, 25 strokes behind Odessa Permian here at Lubbock Country Club.
