

'After 26 Wins

Andy Cohen's UTEP baseball team faces a dogfight to the wire the next three weeks after sweeping a doubleheader from New Mexico State University last night, 7-4 and 4-3.

"We're 24-18," Cohen comments, "and I'd sure like to break or tie my record for most wins here, 26." To do that the Miners will have to win two or three of their remaining nine games equally divided between Western Athletic Conference foes Arizona, Arizona State and New Mexico.
