

Miners Face Arizona in Early Play

Andy Cohen's U.T. El Paso Miners will face the Western Athletic Conference leading Arizona Wildcats in a three-game baseball series starting Friday at Duley Field.

The Miners and Cats play Friday at 12 noon in a single game and clash in a twinbill Saturday starting at 10 a.m.

ROY SSTRINGER, ace of the Miner pitching staff, will face Arizona in the opener. Cohen hopes that Joe Pennies and David Nance who've been bothered by leg injuries will be ready to play.

The Miners, now 2-12 in the WAC, lost three games last week to Arizona State in Tempe 3-2, 11-8 and 4-0.

"We had a chance to win all three of the games," said Andy. We played well in the whole series."
