Coaches Recommend Against It Tackle Eligible Play Hit

HOUSTON, Jan. 10.—The Football Coaches Association has recommended elimination of the "tackle eligible pass play."

It was one of nine rules changes recommended by the committee headed by Jack Carr, head coach and athletic director of the University of California at Santa Barbara.

All nine change recommendations will be taken up at an NCAA rules committee meeting pass committee a foul after the interception, it would have the option of keeping the ball and taking the penalty from where the infraction occurred.
