

Autry President Of El Paso Kings

Gene Autry, chairman of the board of the parent California Angels, was named president of the El Paso Sun Kings on Jan. 7. Autry was selected as the president by the Sun Kings board of directors made up of H. D. Fulwiler, John Phelan, Harry Elliot, Andy Cohen, Dorr Miller, Bob Haynsworth, Jack Niland and Chick Arnold.

The election that placed the Western singing and movie star, big businessman and noted sportsman at the helm of the Sun Kings took place unceremoniously in the restaurant at the El Paso International Airport while the board awaited the arrival of Autry who was visiting El Paso as the guest speaker for the Temple Mount Sinai Sportsman of the Year Awards banquet.

WHEN INFORMED that he had been unanimously elected the Sun Kings president, Autry replied, "That was a kangaroo court if there ever was one."

When the Sun King directors named Autry it was a calculated decision. It was felt that the Angel owner would not let the Kings slip too far in the standings and that he would do all in his power to see to it that the Kings left spring training camp with a strong team.

It appears at the directors' thinking was accurate. The Sun Kings look like a strong team.

Finnerty In 4th Season

Hugh J. Finnerty, formerly general manager of the Tulsa Oilers, is serving his fourth year as president of the Texas League. He resides in Tulsa.

Dick Butler, formerly the league president, is the vice-president of the Texas League. He's the general manager of the Dallas-Fort Worth Spurs.

Broglie Farmed To Buffalo Squad

CINCINNATI, April 14. — The Cincinnati Reds farmed out veteran righthander Ernie Broglie to their minor league affiliate at Buffalo in the International League yesterday.

Broglie, who was with the Reds on a conditional basis this spring, was a 20 game winner with the St. Louis Cardinals in 1960.

The Reds also sent catcher Jim Saul from Buffalo to Tacoma.

Hernandez Had Dodgers on Hip

Ramon Hernandez, the smooth and easy throwing left hander of the Sun Kings for the last two seasons, boasted a 6-1 hander of the Sun Kings for the year. He was used often in relief by Manager Chuck Tanner last season and did some sensational jobs. Hernandez is now with the Atlanta Braves.

THE LONG ONE — TARGA FLORIO, Italy. — The Targa Florio auto race course for international prototypes, GT and sports cars is the longest in the world at 44.7 miles.

GENE AUTRY holds president's gavel, presented by former Sun Kings president John Phelan (left). Rocky Bridges explains what he would do if he were president.

Front Office Change for '67

The Texas League has three big changes in the front office staffs for 1967 with John Stanfill being joined by L. D. Lewis at Arkansas and Pete Bavasi at Albuquerque as new general managers.

Lewis moves from Dallas-Ft. Worth and Bavasi moves up from the business manager position at Albuquerque.

New business managers include Charles Blaney at Albuquerque and Joe Macko at Dallas-Ft. Worth.

Spurs Had Only One Assist In Game With Kings

The Sun Kings on July 2 of last year were almost a one-man victim. They were beaten by Dallas-Fort Worth. The Spurs made only one assist and that one was made by Freddie Norman, the pitcher. Norman fanned 15 men, giving his battery mate more than half the putouts. The outfield turned in five, the infield another seven. El Paso, on the other hand, was quite busy afield with 15 assists. It was an errorless game.

D-F Spurs Led TL in Shutouts

One of the many oddities of the 1966 Texas League season concerned the Dallas-Fort Worth Spurs. While finishing in the basement, the Chicago Cubs affiliate led the league in shutouts with 18. Ten of the blank jobs were 1-0 cliff hangers. Austin and Arkansas were victimized three times by this count. El Paso 2, Albuquerque and Amarillo once.

DOGDERS HIS DISH — United Press International. — ST. LOUIS, April 8. — Pitcher Larry Jaster of the St. Louis Cardinals registered five shutouts against the Los Angeles Dodgers during 1966.

Kings Book Is Offered E.P. Fans

The Sun Kings have added a new ticket plan for 1967 to the three they have offered to the El Paso public in the past. The new plan, known as a "Kings Book" consists of 36 box seat coupons valued at \$63. The coupons are undated and may be used for admission to the "best seats in the house" in any combination and all good for any of Texas League games. The Kings Books sell for \$50 and represents a saving to the fan of better than 20 per cent.

Sun Kings general manager John Stanfill explained that the reason that the Kings Book plan was added was to take care of the businessman or fan who wanted to be assured of having box seats but could not afford a season box seat ticket.

With the Kings Book plan an individual can use all 36 coupons on a single night or can use them in any other combination. He always knows that should a favored client or customer ask for tickets for a particular event he can take care of the request.

ANOTHER PLAN that the Kings offer is their season box seat which sells for \$70 and gives the holder a reserved seat for all 70 home games as well as reserved parking privileges. Any unused season tickets are good for general admission to any latter game, thus insuring that you never have any tickets wasted.

Also offered are two general admission bonus book ticket plans. Both plans offer a number of undated, general admission tickets at a reduced price. A book of 70 general admission tickets can be purchased for \$50 (a \$70.00 value) or you can purchase 12 general admission tickets for only \$10 (a \$12.00 value).
