

Aaron and Carty Engage in Airplane Bout

High Altitude Fight

United Press International
LOS ANGELES, June 19—Neither of the Atlanta Braves star outfielders, Henry Aaron or Tommie Agee, appeared any worse for wear against the Los Angeles Dodgers last night after having engaged in the first fight in 10 years in the air while on a chartered flight from Houston to Los Angeles. Although eyewitnesses aboard the plane claimed no blows were landed, it took four of their teammates to break up the battle between Aaron and Carty Sunday night as the Atlanta team was flying west.

"IT WAS one of those things that happen on a ball club," Manager Billy Hitchcock said. "It isn't the first time two players have lost their tempers and probably won't be the last."

Aaron, one of the batting stars of the National League, refused to discuss the incident after Carty got into the discussion which soon became peaceful.

According to an eye witness, Aaron and infielder Mike de la Hoz were kidding when Carty got into the discussion which soon became peaceful.

Kings Do Better By Wally Wolf

They Get Him Runs, He Wins

Wally Wolf's teammates didn't do right by him when he faced Austin Bravos a week ago. They didn't get him any runs. The Kings lost 10 with the Braves scoring in the bottom of the ninth.

The Kings remedied that situation in the opening game of the Arkansas series at Duffley Field. They hit solidly and with consistency last night. Led by the homer hitting of Tom Egan and Leo Rodriguez, the Kings defeated the Travelers 7-2 and got away in a flying start in their 11-game homestand.

Wolf exhibited his leadership in the second game with Dan Keller (13) of the Kings facing Ted Ford (23) of the Braves.

ROCKY BRIDGES said that if he Messersmith to the national collegiate champion-ship and if he could get a good job. Wolf said "I would love to be a coach, but I don't know if I can do it."

WOLF was pleased with his team's performance last night. He said he had better stuff against Dallas than he had against the Braves. He said he had better stuff against Dallas than he had against the Braves.

Old Professor Aid To Matty's Hitting

By FRED MORANE

Matty Alon's refractor course, theory from his old professor's help, has started him hitting toward a successful graduation for the Pittsburgh Pirates.

ALON, who earned his master's degree in batting last year when he led the National League with 13 home runs and 34 RBI, learned the fine techniques of hitting from his manager, Harry Walker, last year, but he was thinking the subject this season and sought his skipper out two weeks ago for a cram course.

ALON took some good notes from Walker's lecture, digested them and began putting the teachings to practical use last Saturday. He banged out four hits Saturday to spark a Pirates victory, added four home runs in another triumph and stroked three more last night to pace Pittsburgh to a 3-0 victory over the Chicago Cubs.

Two weeks ago Harry Walker told me to choke up a couple of inches on the bat," said the 28-year-old outfielder. "It helped. That and a little kick. I'm able to wait on the ball a little longer now."

ALON'S hot streak has boosted his average to .317 and as a result of his hitting the Pirates have moved to within four and one-half games of the league-leading St. Louis Cardinals.

ROGER MARIS doubled home Tim Lincecum with the winning run in the game. Fred Whitfield singled in Leo May later in the inning to decide the contest.

BALTIMORE SPILT with Minnesota, losing the first game 1-0 and winning the second 9-5. Detroit split with California, losing the first game 1-0 and winning the second 5-1.

DENNY MOTT pitched a four-hitter to boost his record to 8-7 and give Detroit the victory. He struck out nine batters and walked three.
