

City Slickers Beat Girls Again

City Slickers defeated Paul's Wheel Alignment girls team 8-4 in a benefit softball game at Memorial Park last night.

Fred Hervey was supposed to pitch for the Slickers but was called out of town unexpectedly yesterday. Newman Agar took his place and hurled the win.

Sonny Hernandez homered over the fence with one on for the Slickers. Gene Stogner, Andy Cohen and Paul Muniz got two hits.

Dopey Chavez, the losing pitcher, also got two hits.

The real winners were the Cooley Wildcats of Boys Baseball, who wound up with jackets.
