Dons Sweep Miner Series, 6-4

By JOHNNY GONZALES

The University of Albuquerque Dons completed a two-game sweep of the Texas-El Paso Miners with a 6-4 victory Thursday at the UofA field.

High winds hindered play for the last four innings, but the Dons managed three home runs and broke a 3-3 tie to record their 18th win against 10 losses.

The Miners dropped below .500, 11-12.

The Dons were to leave Thursday evening for Canyon, Tex. for a three-game series with West Texas St. today and Saturday.

UTEP COACH Andy Cohen, who was ejected from the game in the fourth inning for disputing a called strike out, named southpaw Lynn Hunt to open for the Miners today against New

Mexico.

After three scoreless innings, Albuquerque came up with a pair of runs in the bottom of the fourth inning as Al Cruz' leadoff single was followed by a home run over the left field fence by winning pitcher Mike Bonilla.

John Sandoval, who went 3 for 4 for the Miners, led off the UTEP fifth by being hit by a pitch and then stole second. Bonilla then walked Johnny Murphy setting things up for Mike Ward who hit a ground-rule double to score Sandoval.

Murphy scored on John Miller's single and then Rick Butler lofted a sacrifice fly to score Ward.

THE DONS TIED it, 3-3, in their half of the sixth as Cruz hit a 370-foot homer with none on.

Vic Ambrose's inside-the-park home run with Mike Walker on base in the seventh put the victory away for the Dons. Cruz then scored for the third time in the bottom of the eighth on Dan Duran's single to give UofA another insurance run.
