Clinic, Dinner Near

WELL, TOMORROW'S THE big opening of possibly a big annual event for the El Paso Coaches Assn. with the registration for the Sun Country Coaches Clinic being sponsored by the local group and the Texas Western College.

TWC coaches Bobby Dobbs, Don Haskins and Andy Cohen will be joined by the University of New Mexico track coach Hugh Hackett as lecturers Saturday morning and afternoon.

Also, don't forget about the Eastwood High Letterman's Assn. banquet being held at the Rodeway Inn next Saturday, March 5. Guest speaker will be Johnny Unitas, Baltimore Colt quarterback and one of the great passers in professional football.

There are only seats for 500 people and tickets will start going like hotcakes the final week. Ducats are being sold for the \$5-plate affair at Eastwood High. It's a father-son type dinner with the public invited. It should be a fabulous evening.
