Sun Kings Acquire Pitcher

The El Paso Sun Kings today acquired veteran right handed hurler Jesse Hickman from the Kansas City Athletics organization. Hickman started the season with the A's but was shipped to the Mobile team in the Southern League early in the season.

The parent California Angels signed Hickman as a free agent in an effort to bolster the Sun Kings pitching corps. Hickman who can rightly be called a veteran, has been in professional baseball for several years and should be a big boost to manager Chuck Tanner's rapidly improving club.

Hickman was acquired by the Kansas City Athletics last year in the big deal that sent Jim Gentile to the Houston Astros. He appeared in 27 games for San Antonio in the Texas League in 1964 and had a 5-6 record.
