

SAYS YANKS QUIT DENVER

DENVER, COLO. (AP) —
The Rocky Mountain News
said Wednesday that the New
York Yankees have termin-
ated their working contract
with Denver of the American
Association.

The paper said also Denver
Manager Andy Cohen had
been fired. His team finished
in fourth place.

The breakup was mainly
the result of differences of
opinion between the New
York management and Den-
ver's president, Bob Howsam,
the paper said.
